

## **ABSTRACT AND MANUSCRIPT SUBMISSION:**

Abstract submission due date: **31 Oct 2021**

Abstract modification date: **19 Nov 2021**

Full manuscript due date: **26 Nov 2021**

Revised (edited) manuscript due date: **25 Feb 2022**

**Oral presentations for which a manuscript is NOT SUBMITTED by the cutoff date may be removed from the program and the speaker not permitted to present as a talk;** if it is not agreed to by the author(s) to submit a manuscript, the work can be presented as a **poster** instead.

All abstracts and full manuscripts must be submitted through the ISHS Responsive Online System for Acta Horticulturae submission and review (ROSA) at <https://www.actahort.org/members/symposiar?nr=682>

To submit an abstract, an active ISHS user account is required. If you already have an active ISHS user account, please proceed directly to abstract submission (<https://www.actahort.org/members/symposiar?nr=682>).

If your existing ISHS user account needs to be updated or activated, please go to <https://www.actahort.org/members/showpdf>

If you do not have an ISHS user account yet, please proceed to <https://www.actahort.org/members/newmember?asc=1> to create and activate your user account prior to abstract submission. **You will then be entitled to register for the symposium at the discounted fee for ISHS members.**

- refer to the ROSA user manual for authors, <https://www.ishs.org/sites/default/files/page-documents/onlinesubmissionauthorsguide.pdf>

- refer to the Acta Horticulturae author guidelines, <https://www.ishs.org/authors> for the length and formatting manuscripts and other details.
